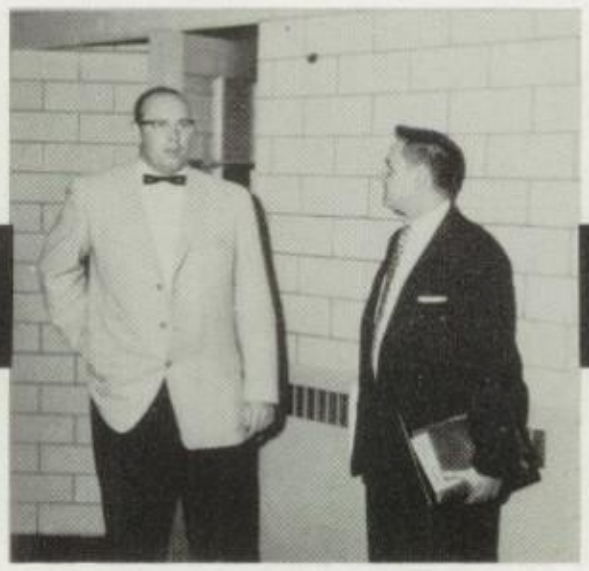
HOPEWELL MEMORIAL HIGH SCHOOL

ALIQUIPPA, PENNSYLVANIA



FOREWORD

What does this Yearbook mean to you as an individual and as a student? This 1958 Viking contains a memory pattern of all of your social affairs, your sports events, and everything which you may have achieved, here, in the Halls of Hopewell Memorial High. All of your sorrows and your joyous and happy memories, which are illustrated in pictures and in words, shall last a lifetime. We hope that from time to time you will be returning to these pages to see what you, yourself, have encountered throughout your high school days.

With or without us, this troubled world moves on, and as it moves, we find ourselves confronted with many perplexing problems, only we can solve. Our High School will have many new faces, and many graduating classes, but in our memories it will always remain the same. The hours which we sacrificed to study for exams will never be forgotten, but neither will the many friends which we may have made here. All will be pleasant memories in the far future with the thousand of recollections, which this book brings forth to us.

Recorded within these pages for posterity are some of the important events that will be cherished memories after Graduation Day.

ASSISTANT PRINCIPAL

CONGRATULATIONS, Class of 1958!

The launching of the Vanguard and Sputnik have opened vast new areas of pioneering adventure in this emerging Atomic Age. Along with these new developments has come the fear of possible international supremacy and immoral nations. You have been schooled in the firm belief that this representative people's government is still the world's best hope, and I am confident that the classes of 1958 will insure America's position in the future.

John P. Milanovich
Assistant Principal

PRINCIPAL

Senior Class 1957-58

Our motto, "Small is the diploma but mighty is the effort to earn it," symbolizes our class work in preparation for graduation. Now let us take a few minutes to reminisce.

We spent our Sophomore year selling magazines, having socials and parties, not only to raise money, but to help us to know each other better. The outstanding event of the year was our class assembly. The humorous acts and commercials gave us a lot of laughs, and we hope you enjoyed them too. Remember our "Sealy Posturepedic Girl?"

The first semester of our Junior year we anxiously sold greeting cards to raise money for that big event, the Junior-Senior Prom. Money wasn't our only problem. We were quite worried about our classmates who couldn't dance, so each Thursday we had an "Arthur Murray" dancing session in homerooms. After months of preparation, "Oriental Fantasy" made its exciting appearance. Because of the rain, however, the "Buddha" was almost lost in the descending clouds of crepe paper.

We happily, yet sadly, greeted our Senior year. October saw not only the re-opening of the C&L, but a parade of senior chefs and their delicious baked goods. Then came the Senior Class Card Party attended by our faithful and dependable parents and friends.

At present, we are busily engaged with plans for the future, which include the Banquet, May Day, and Commencement.

Dear Hopewell High, our memories of you will never die!!!

FOOTBALL

It was a very inexperienced varsity football team, coached by Mr. William Batchelor and his assistants, Mr. John Waters and Mr. Walter Cleary, that took the field at Rochester on September 13, 1957. At the season's close, the Vikings had one win and seven losses. But considering the fact that the squad lost its last two games by a combined total of six points, you can see how close the record came to being three and five.

Never to appear in a football game for Hopewell again are Co-Captains: Ray Mutkus and Harold White, along with the following Seniors: Bob Dunn, John Jenkins, Bill Jenkins, Joe Hixenbaugh, Wilson Jeter, Bill Nale, Joe Meccaro, Rich Krause, Milo Hallavanja, Ed Duafala, and managers Rich Showalter and Joe Kostial.

Underclassmen who saw a good deal of action were, Juniors: Chuck Trembath, Bob Churovia, Bob Shemer, Ray Parrish, John Jasek, Tony Zvonar, Rich Fuss, Gary Gruber, and Sophomores: Al Bell, Ron Fuller, Jim Harvey, Sandy Buchan, Rich Hollein, Skip Miller, and Roy Calabria.

Individual team honors this year must be accorded to seniors, Dale DeGarmo and George Atwell. An outstanding freshman, Gary Kifer, showed promise in early season practice, but was plagued with injuries and the flu bug throughout competition. An unimpressive 0 win, 5 losses record was posted for the season. Mr. Andres attributed the poor showing to lack of experience, both his and the team's, and a general lack of interest in cross-country as a scholastic athletic endeavor.

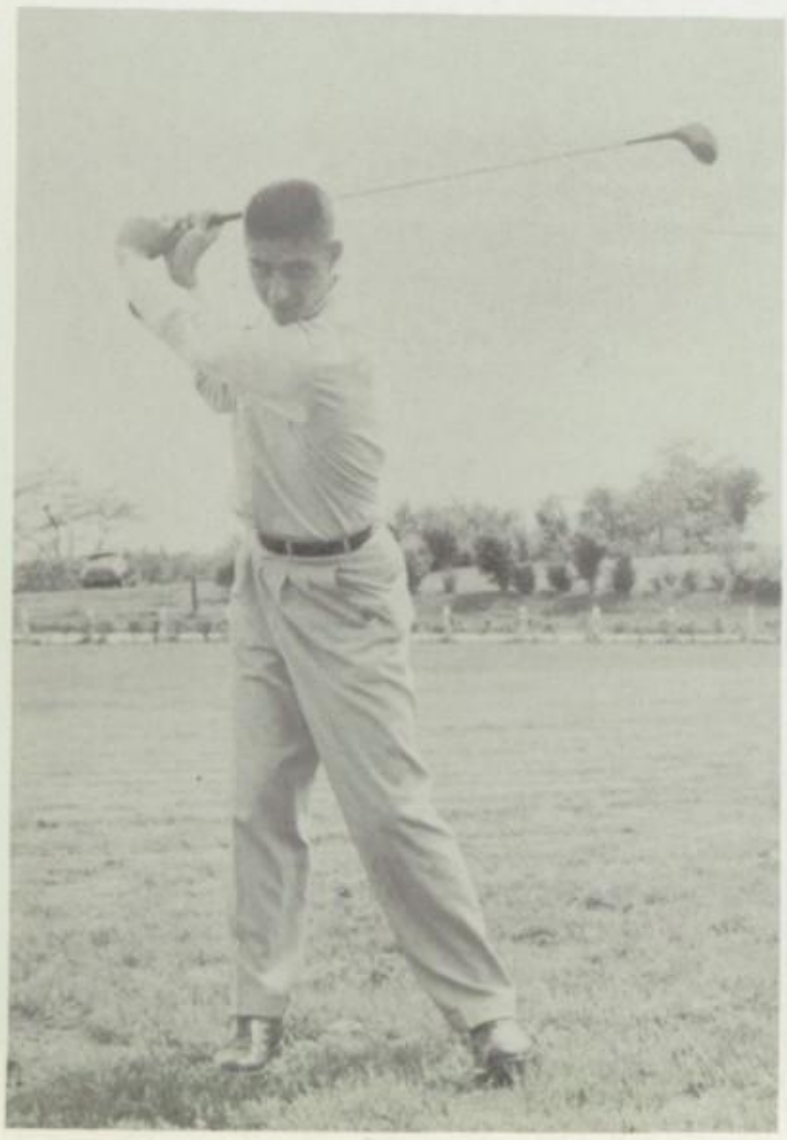
GOLF

The golf team is a recent addition to the sports department of Hopewell Memorial High School. The team, under the careful coaching of Mr. Batchelor, had a very successful season and placed third in county competition. They competed against Moon, Monaca, Aliquippa, Ambridge, and Coraopolis, playing their home matches at the Aliquippa Golf Course. Moon and Ambridge were the only schools to hand the team losses. Richard Pesker was the high scorer for the team. Since the team only lost two members through graduation, Mr. Batchelor expects a fine season this year.

Rick, a terrific sportsman of the Junior Class, was high scorer for the Hopewell Golf Team.



Bill Thomas and Averil Pervis, the senior members of the 1957 squad.

With a nucleus of 3 returning lettermen, Coach Michael Volitich's Vikings opened the 1957-58 basketball season. The lettermen, Rick Pesker, John Jenkins, and Jimmy Williams started the first game along with Bill Leechman and Jim Troynar. The entire varsity squad was made up of the following—Seniors: John Jenkins and Jim Williams; Juniors: Rick Pesker, Bill Leechman, Bob Toothman, Bob Churovia, Joe Yarosz, Rich Fuss, and John O'Connor; Sophomores: Jim Troynar, Al Bell, Ron Fuller, and Bert Jenkins. The top Junior Varsity players were O'Connor, B. Jenkins, Bell, Fuller, Denny McCartney, Ron Hudson, Jerry Greco, Sandy Buchan, and Larry Kuzma. The J.V's were coached by Coach John Waters.

Both squads played a tough exhibition schedule along with the always rugged Section VIII of the W.P.I.A.L. Congratulations, boys!

TRACK

For the first time in history Hopewell Memorial High School was represented at many local track meets. The team ended its first year of competition with a record of two wins and five losses. The team participated in its first meet at Monaca. Hopewell started with a bright note by easily outscoring Monaca. Hopewell then suffered losses to Coraopolis and Moon Township. Hopewell then registered its second win by beating McKees Rocks. After this the season was more or less used in gaining experience, since they suffered losses to Ellwood City, Beaver, and Quaker Valley. Outstanding performance was accomplished in the many events by Pepper Moore, Tom Moran, Bill Jenkins, John Jenkins, Paul Rogish, John O'Connor, Eddie Speicher, Joe Hixebaugh, Chuck Trembath, and Barry VanEmburgh. These boys did most of the scoring for the team, which is most adequately coachd by Mr. Walter Cleary. We extend to Mr. Cleary and his boys wishes for more successful seasons in the future.

BASEBALL

The Hopewell Viking Baseball Team playing its first season under its new coach, Mr. J. Currie, had one of its most successful seasons. Losses suffered were in extra inning contests. The Vikings, however, finished in second place in their section.

Contributing to the success of the Vikings were Bob Fleming and Dale McCormish, who were outstanding hurlers. Although our pitching was very fine, it was the big bat of Jack Brown, that kept up the teamscoring. Jack was assisted in this department by Bill Leechman, sophomore short-stop. Chico Martinez, Rege Onderick, and Ron Kemp with their experience, steadiness, and innate desire rounded out the team in good fashion.

We have a very good starting lineup of boys to start our season off with a great deal of encouragement and enthusiasm. Coach Currie believes that, with a break in the weather and a lot of hussle and desire on the part of the team, we should have a respectable season.

Safe on first!

Come on, Bill, you have to make it!!!

Left to Right—Row I: Mrs. S. Patterson, Mrs. G. Heckendorn, Mrs. F. Williams, Mr. J. Colella; Row II: Mr. F. Matika, Mr. M. Volitich, and Mr. L. Cable. These faculty members supervise the intra-mural evening program. The program consists of athletic activities such as, volleyball, weight lifting, basketball, tumbling, and a variety of others. Boys and girls are taught the fundamentals of the above mentioned activities and are given the opportunity to exercise and demonstrate these fundamentals under careful supervision.

INTRAMURAL SPORTS

SOMETHING NEW HAS BEEN ADDED

As a result of the interest and enthusiasm of the Parent Teachers Association, the various Civic Leagues, the Hopewell Township School Directors, Administrators, the Hopewell Recreation Association, Hopewell Township Commissioners, and citizens, the children and youth of our district now enjoy six well equipped playgrounds, which are open for supervised play eight weeks in the summer, a Teen-Canteen and an intra-mural program for both boys and girls. The intra-mural program includes volley ball, basketball, and soft ball for the fall, winter, and spring seasons.

Our Recreation Program is just one example of the opportunities extended to our youth through the cooperation and contributions of the many citizens of our district.

Our very active and capable tumblers.

Our mighty strong weight lifters.

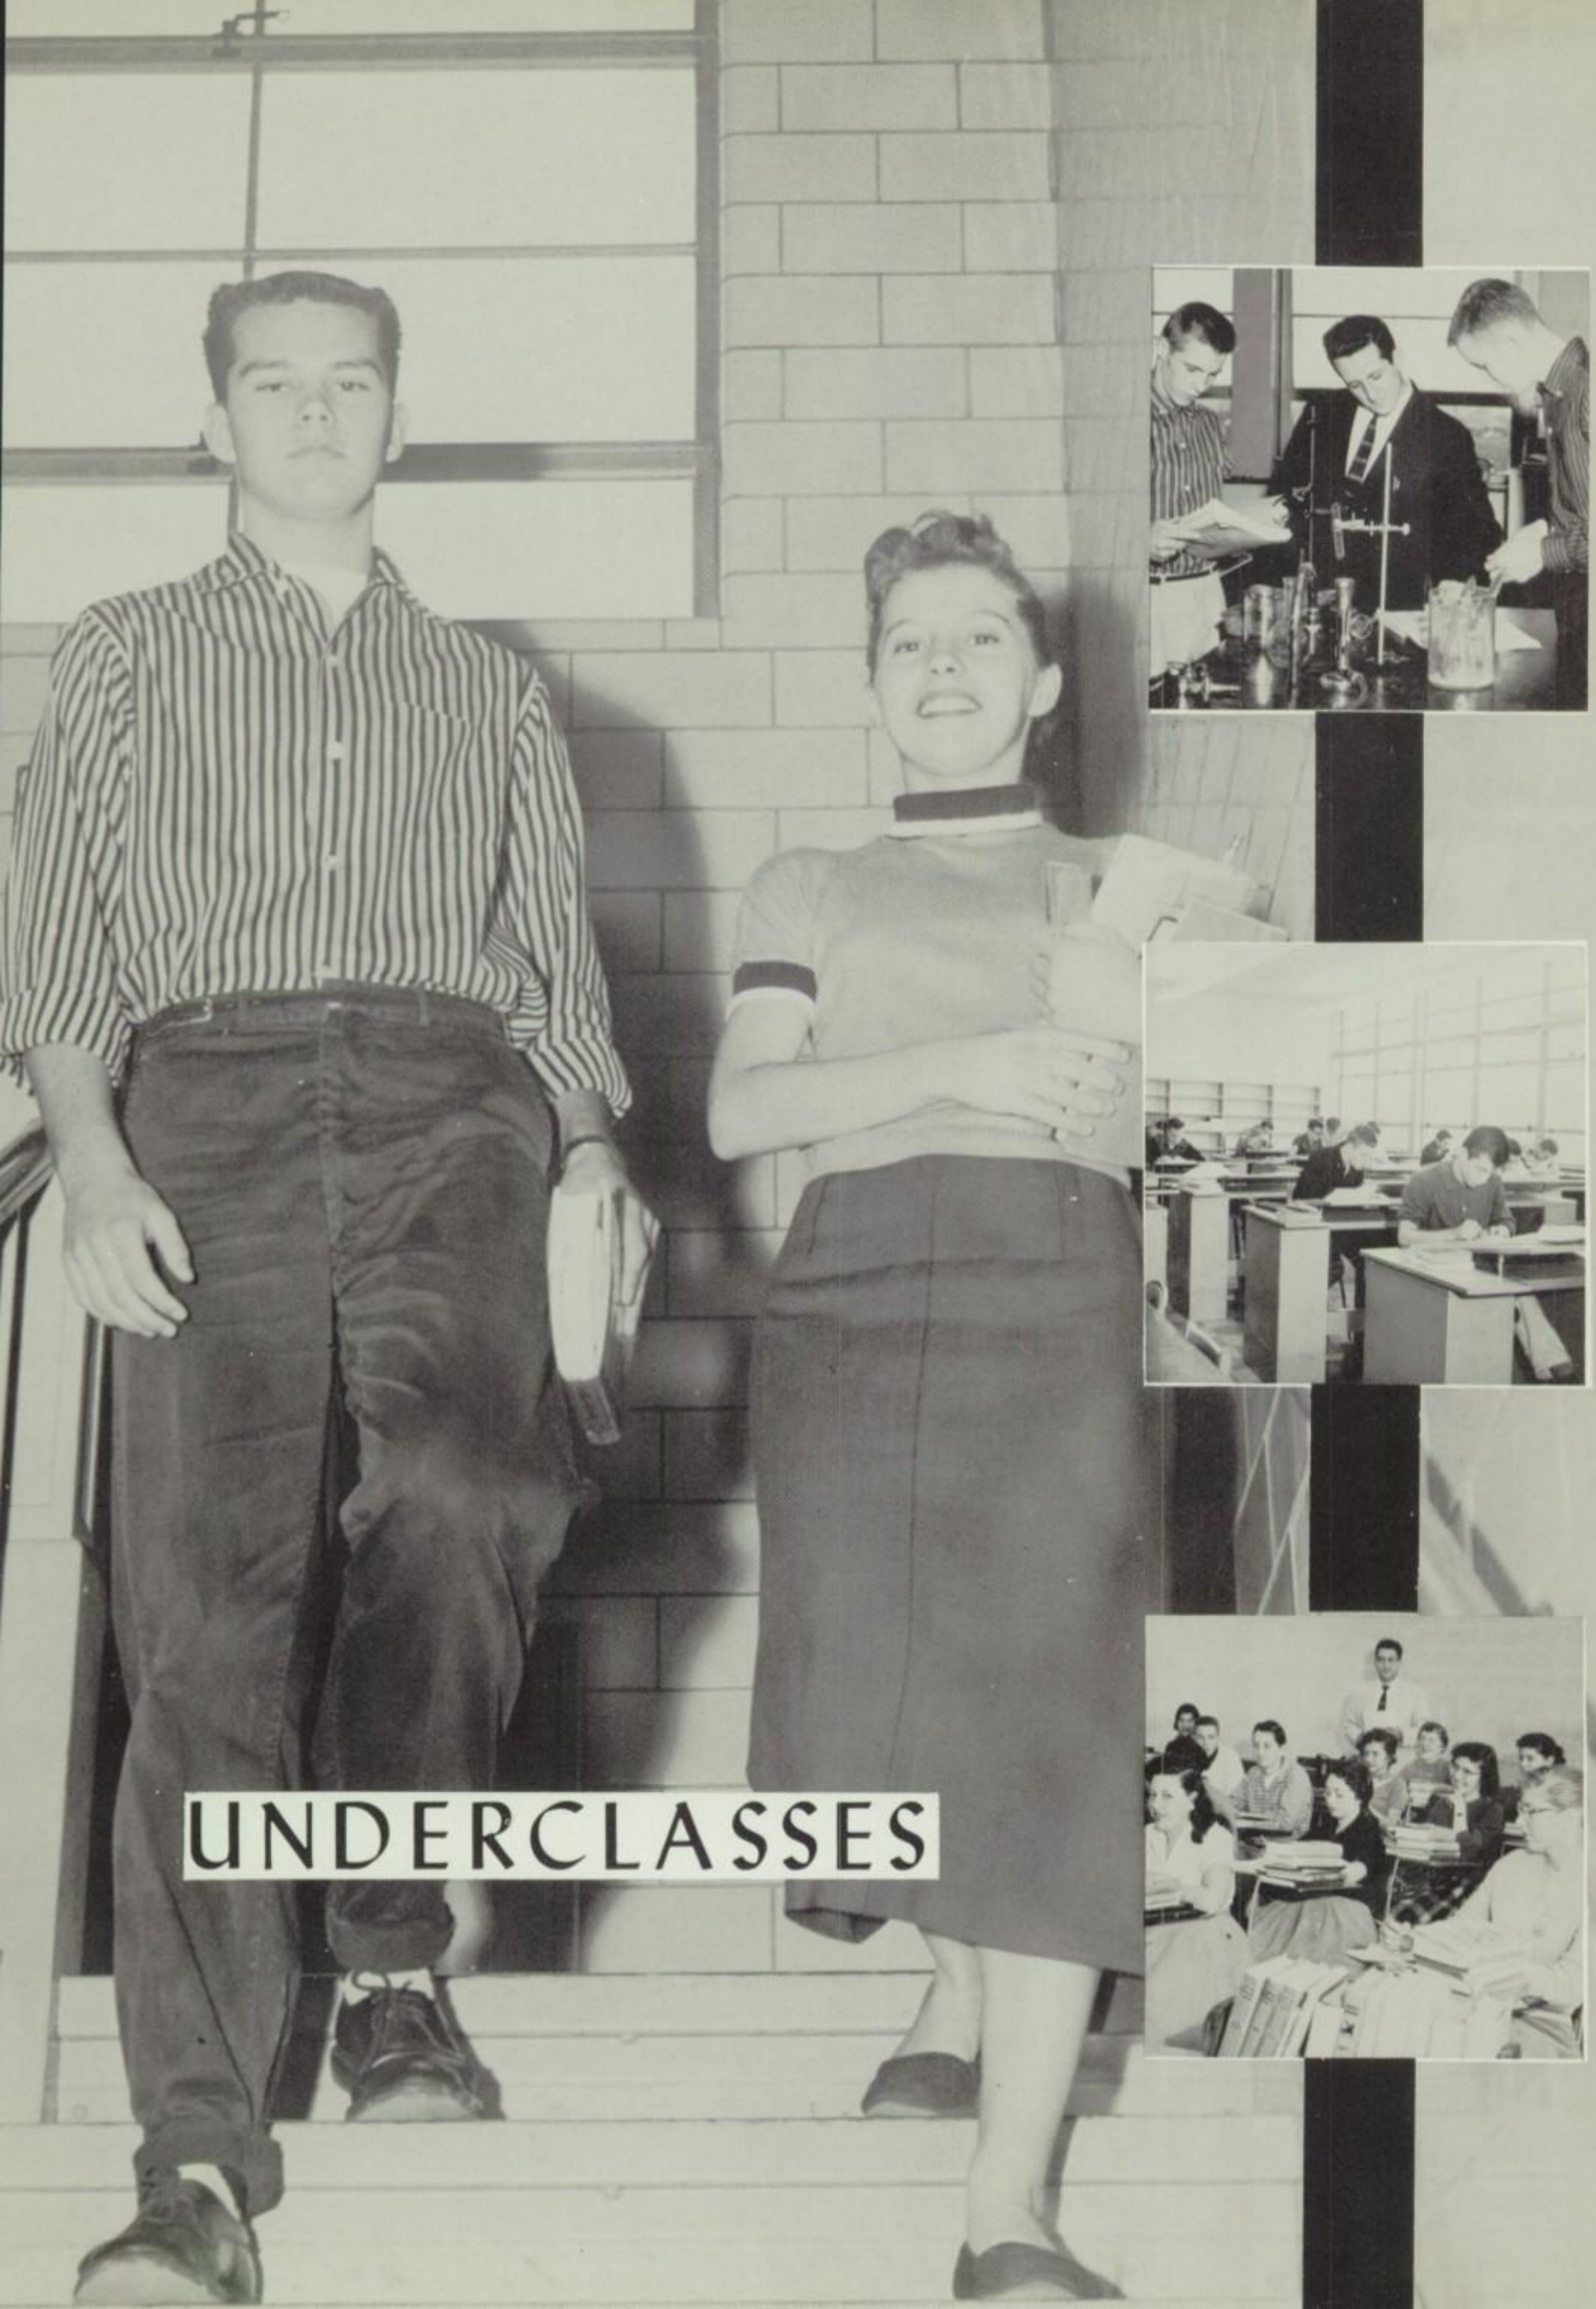
The Hopewell Cheerleaders, under their sponsor, Mrs. Bobchak, began practice last summer in preparation for the football season. The five seniors and one junior of the varsity squad livened the games and pep assemblies with their peppy cheers. At the first basketball game both the varsity and reserve cheerleaders appeared in new uniforms and encouraged the team on to victory.

CHEERLEADERS

MAJORETTS

Our majorettes certainly looked snappy this year in their brand new uniforms—thanks to the Hopewell Band Boosters. This years group of majorettes were proud to be the first to participate in the annual Hopewell Lions Club Band Festival. Led by vivacious head majorette, Dianne Elliott, their new routines added color and sparkle to the games, pep assemblies, and parades.



UNDERCLASSES

Juniors

The Junior Sponsors discuss the Junior-Senior Prom, from left to right they are: Mr. Colella, Mrs. Bobchak, Mrs. Brown, Mrs. Opsatnik, and Mr. Hollobaugh.

Our Class of '59 is well represented in school activities. Many members of the class have contributed to the football and basketball teams. Equally important are our members of the cheerleading squad, the majorettes and of the band, who help in keeping up the school spirit at all times.

Under the direction of our sponsors we held a card party, bake sale, an educational film, and sold sweatshirts to the students of the school. The Junior-Senior Prom was held at the High School Gym. This gala affair was the high light of the season.

We know that these Juniors have proven in the past that they are worthy of taking their places as the leaders of tomorrow.

Band

During the past years the Band, under the very capable direction of Mr. Victor R. Pasquarelli (Senior) and Mr. Emileo Tolfa (Junior), has played an important part in the life of Hopewell Memorial High. As well as playing at all of the football games, pepping up the crowds, and playing between halves of a few of the basketball games, they have demonstrated their ability by providing a concert worthy of high praise.

Among the activities the band has had this past year are the following: they attended and headed for the past two years the annual music festival parade at Kennywood Park, and they received a plaque from the Lions Club for participating in the Lions Club Band Festival held at the Aliquippa Stadium. The band also held its band picnic at Brady's Run Park last June.

The Band has grown in the past and will continue to grow with the support of the student body, whom it represents.

VIKING STAFF

This year's 1958 Viking yearbook staff has worked hard to edit a bigger and better yearbook. From the beginning of the school year the staff covered all of Hopewell Township for patrons and ads. When the results were tabulated, they were very satisfying. Another means of raising money was by movies which were shown on a Wednesday of every month to the entire student body. The sponsor, Mrs. Opsatnik, has helped the staff very much in editing this bigger and better yearbook.

For pictures, Mr. Nick Ferri, the yearbook's capable photographer, came to the staff's aid.

This year's staff had very good editorship with its very capable editor, Carolyn Crabtree, and equally capable assistant editor, Mary Beth Smith.

And Here It Is! The staff presents a bigger and better '58 Viking Yearbook.

Junior-Senior Prom

The Junior-Senior Prom, Oriental Fantasy, was presented by the class of '58, on May 10, 1957. Mr. Lee Tolfa and his orchestra provided the musical entertainment.

Months before the prom these ambitious juniors gave up their free evenings, devoting their time and interest to present one of the best proms ever to be held in our high school gym. Painting, drawing, cutting cardboard, building structures, stringing wires, and even running errands were among the many things to be accomplished to achieve this goal. They had been working very earnestly to raise money for three years to meet the expenses of their prom.

After many long and grueling hours, the prom had finally begun to show signs of oriental atmosphere. The ceiling was solid in colors of red and yellow. The walls were scenes of villages and towns of the Orient. The main attraction was the magnificent Buddha of gold paper, lighted with red and blue lights. On the stage was a beautiful water scene with a bridge, a stream, and large trees. Upon entering through the great pillars, you would notice the Chinese inscriptions. The center piece on each table was a pink and black Chinese head. Small hand painted fans were distributed as favors to each girl. The programs of red and black, edged in gold, with gold pencils kept a record of exchanged dances.

This prom was a success and the class of '58 will never forget all the work, yet fun, they had in presenting this fabulous "Oriental Fantasy" formal.

The gold Buddha, situated in the middle of the floor, was the main attraction of the Junior-Senior Prom, Oriental Fantasy.

Music for this festive occasion was provided by Lee Tolfa's Quintette.

The prom, set in an Oriental background, was enjoyed by all.

Mary Ellen Hilliker, a well deserving senior, was chosen as the May Queen of 1957.

May Day

Queen Mary Ellen Hilliker and King Jack Estel with their attendants will long remember May Day, 1957.

Following the coronation, performed by Loretta Vallese and Ronald Kemp, they were entertained royally by a variety show presented by their classmates and also band selections under the direction of Mr. Victor Pasquarelli.

For this occasion the stage was beautifully decorated with floral arrangements.

Jack Estel and Mary Ellen Hilliker reigned as May King and Queen of 1957.

JUNIOR-HI

The seventh, eighth, and ninth grades are the Junior High of Hopewell Memorial High School. They along with their sponsors and Mrs. Doughty, their general chairman, have planned the activities which were to take place this year. To the seventh grade, the high school has been a new and different experience for them. Now they have finally learned their schedules and have begun to meet more classmates and teachers, and also have found it to be a very exciting place. The second year of Junior High is the eighth grade. This grade group contained some of our best scholastic students.

The ninth grade, even though they are part of the Junior High, are invited to attend the socials and other activities sponsored by the Senior High classes and clubs.

This year's eighth grade comes in second highest with its enrollment of 249 students of the total school enrollment of 1300.

Never before, since the junior high was joined with the senior high, has there been such good response to the clubs and other school activities from the eighth grade.

They are eagerly preparing and looking forward to one of the biggest days in their scholastic life, when they will no longer be junior high, but senior high school students.

Their capable sponsors Mr. Andres, Mr. Bach, Mrs. Blaney, Mr. Matika, Mr. Scursatone, Mr. Skrypak, and Miss Smith are a great help to these energetic students as they work toward their goal.

SEVENTH GRADE

Beginning the year as a part of Hopewell High School was a new and exciting experience for our seventh grade class. It took them only a few weeks to learn their way around and get into the swing of things. Soon they became an active part of our Junior High. Many were members of our Junior High Band and there was enthusiastic participation in their clubs and weekly assemblies. In spite of the many changes they had to accustom themselves to, they had certainly proven themselves to be an eager and energetic group. With the assistance of their sponsors and officers they will graduate as the class of 1963.

FINIS

Even though we, the Class of 1958, are now looking to the future, we shall always remember the wonderful and momentous experiences we have shared together throughout our school years. Although we are leaving these halls empty, soon they will be filled with many others, who are following in our footsteps. As many classes have done in the past and as many will do in the future, we humbly, but proudly, dedicate our memories to our high school Alma Mater and we know deep in our hearts these memories will live on forever.

Congratulations and Best Wishes
